Christian  
FAITH CENTER

Hello Church Family!

I'm so excited to be sharing with you everything that God has for us in the month of September. I thought I'd spend a few minutes and share everything that's going on here at Christian Faith Center.

First, I'd like to let you know that we're currently running a fundraiser for our 2021 fundraising goals. In line with our series "Stand Firm & Win Life", for the next week and a half, you can purchase your own "Stand Firm Win Life" shirt at the link here: <https://www.customink.com/fundraising/stand-firm-win-life-fundraiser>. A portion of the proceeds will go directly to the church! Thanks for helping out!

## Did you know...

Our church has a state of the art air *purification and sanitation* system? Well, now you do! On top of that we've updated our clearing and added hand sanitizing stations through the sanctuary. If you haven't stopped by yet, I hope to see you in church soon!

If you're still cautious about going out and prefer to participate in service at home, we want you to know that we miss you, **but understand!** We love you and your family and want you to feel safe. If you haven't already done so, you might want to follow us on social media: [Facebook](#), [Instagram](#), & [YouTube](#). That way you can stay connected with the rest of your church family!

## Happenings for September

There's a lot of new things happening this time of year. If you're a parent, virtual or in person school starts up, along with all the challenges that that brings. Summer is winding down and it's time to get back to a normal rhythm and routine.

### Children's Church and Nursery

We're excited to see what the future of the church looks like in these ever changing times. To better equip you and your families, we're planning for the best possible way to offer children's church and nursery again soon! To help us out, please register you child at the following link: [Children's Church & Nursery Sign Up](#)

## Youth Group

Just like with children's church, we're planning for the best possible way to kick off youth group again. If you have teens between the ages of 12-18 email Mike Berry (our youth leader) at **Michael@ChristianFaith.Center** to let him know if you have any children that would like to participate.

## Adult Groups

Just as we're getting ready programs for the kids, we already have great programs lined up for the adults at CFC.

## Women's Meeting

We had our first Women's Meeting on September 1st and a HUGE SHOUT OUT to Tynisha Coleman for organizing and running it. Ladies, if you'd like to be a part of our next one virtual women's Bible study, sign up at the following link: [tinyurl.com/wbsfcfc](https://tinyurl.com/wbsfcfc)

## Men's Meeting

Guys, our men's meetings will meet weekly on Fridays at 7PM online. The link and information can be found on the church website under events. To sign up and let us know you're going to attend, just click this link: [tinyurl.com/cfcmensmeeting](https://tinyurl.com/cfcmensmeeting)

## First Steps Class

Lastly (and what I feel is one of the most important!) items I'd like to mention is our First Steps class meeting the third Sunday of each month. If you're new to the church in the past couple of months, recently gave your heart to Jesus, or just want to meet some new people in church, join us on September 20 for First Steps. We'll be meeting IN CHURCH and ONLINE from 10:15 AM -10:45 AM in the lower room. If you plan on attending, let Ricky Fabrizzio know by sending him a quick email: **Ricky@ChristianFaith.Center**.

## Closing Encouragement

I wanted to close with an encouraging word. Ephesians 6:10 says, "... be strong in the Lord and in the power of His might." In this challenging season that we're in, don't forget: our strength and hope comes from the Lord. If you find yourself weak, tired, or exhausted, ask yourself: where am I drawing my strength from? Chances are, we'll need to look up to get it.

God bless!
