FROM PASTOR

Hey Church Family!

Happy New Year! I'm excited to welcome this new year and all the new opportunities that come with it! I'm also excited to share our focus for this year: Growth.

On New Year's Eve, we studied about how to set the right goals for growth. I'd encourage you to go back and study that again online so you start the year off right!

With love and grace,
- [Pastor Nick](#)

WORSHIP

Sundays

In person & online
9:00 AM
11:00 AM

CONNECT

(833) 680-0385.**

SETTING THE RIGHT GOALS

How do we set the right goals? Here are the points we covered on New Year's Eve. 5 Steps for Successful Goal Setting (according to Habakkuk 2).

1. **Write your goals** - After you get a general idea of what you want to accomplish write them down !
2. **Act on your goals** - Goals never happen by accident, they always happen AFTER you plan for them, and go work at them!
3. **See yourself accomplishing it** - We have to see victory before experiencing victory
4. **Patiently Trust God's Timing** - The Word says, "It (the vision) will surely come."
5. **Live by faith** - "...the just shall live by his faith." Trust God when working towards your goals!

GROWTH

"Be diligent in these matters; give yourself wholly to them, so that everyone may see your progress."

1 Timothy 4:15 NIV
